

## NEWMARKET MINOR BALL HOCKEY ASSOCIATION

### 2018 SPONSORSHIP REQUEST

To Whom It May Concern:

On behalf of the players, parents and league volunteers of the Newmarket Minor Ball Hockey Association (NMBHA), we would like to extend our thanks and appreciation to our sponsors for their support throughout the 2018 Ball Hockey season.

The Newmarket Minor Ball Hockey Association (NMBHA) is a non-profit organization dedicated to boys and girls from ages 4-21 years old, residing in York Region. Ball Hockey is a non-contact sport played indoors by almost 750 youth, in our league alone, during the spring and summer months. The NMBHA has more than doubled in size since its inception 30 years ago. Our philosophy and goals are to promote and encourage fun, fair play, good sportsmanship, and respect for all.

As many can appreciate, the costs involved in minor sports can be substantial. Thanks to the support of local businesses, we are able to keep our player registration fees affordable by offsetting the costs of uniforms, floor time, goalie equipment, Provincial Team fees, referee and timekeeper fees, etc. While supporting the youth of your community, your business can be promoted by becoming a Newmarket Minor Ball Hockey Association sponsor.

We also have several other Sponsorship opportunities available and can even customize any sponsorship ideas you may have. Please take a moment to review the attached Sponsorship Agreement form. We hope you will consider becoming a sponsor of the Newmarket Minor Ball Hockey Association.

Should you require more information, please do not hesitate to contact me. Thank you for your consideration and support.
